## BTV!

### WHAT IS BTV?

BTV is a fun 7<sup>th</sup> period elective in which students create news episodes for the school by writing scripts, filming, acting, editing, and directing. "BTV" stands for "Bighorn Television" and the purpose of the news show is to inform the students, staff, and the community about what's going on here at JWMS. Students also get the opportunity to compete in film challenges and submit entries to PSUSD's DigiCom Film Festival. Not only are the students learning technology of the 21<sup>st</sup> century, they are having fun doing it. According to Gabrielle G., "In BTV, we learn how to work together as a team and use our charismatic skills on camera. Any student is lucky to have this elective, whether they are on or off camera."
