## Art Department: Field Trip to the PALM SPRINGS ART MUSEUM!

by Carlos P., Cheyenne T., Kailee K.

Art students from Mr. Hope's class were able to enjoy a trip to the Palm Springs Museum of Art on Wednesday, December 5<sup>th</sup>! My class and I went to the Palm Springs Art Museum. It was amazing art from really interesting artists. Also, there were some temporary sections. Overall it was an outstanding fieldtrip! **-Carlos**

At the Palm Springs Art Museum we split into groups and each group got separate tours of the Museum. After seeing the Campagna brother's work, Native American rugs, and glass work, we had a scavenger hunt for specific works of art on the top floor. **-Cheyenne**

The students in the 2<sup>nd</sup> period class were picked to go on this field trip to Palm Springs Art Museum because our class had the highest grade average out of all of Mr. Hope's classes. He was also very proud of us for making good progress in the class and doing good artwork. **-Kailee**
